Strategic Recommendations

PROTECT

Champions & Loyal Customers

- 22,926 customers | €6.86M revenue
- Launch VIP loyalty programme
- Early access to new products
- Personal thank you communications
- Goal: Maintain avg spend above €284

WIN BACK

High Value At Risk

- 14,417 customers | €4.47M at risk
- Personalised win-back email campaign
- Offer 15% discount on next purchase
- Contact within next 30 days
- Converting 20% = €894K revenue saved

REACTIVATE

Lost & At Risk Customers

- 30,213 customers combined
- Low-cost "We miss you" email campaign
- Small incentive to re-engage
- Goal: Convert 5% = ~1,500 customers
- Focus budget on At Risk before Lost

NURTURE

Recent & Potential Loyalists

- 25,801 customers combined
- Send product recommendations based on first purchase
- Offer 'second purchase' discount within 60 days
- Goal: Grow avg spend from €73 to €150+
- Impact: Double revenue from this segment

KEY RECOMMENDATION

Focusing retention efforts on High Value At Risk alone could recover up to €894K. Combined with Champions loyalty programme, these two actions protect €9.2M+ of the total €15.4M revenue base — making retention the highest ROI strategy for Olist in 2018.
